

QUALITY POLICY

Quality is essential to our business because we cherish our consumers. Our aim is to provide our customers with products and services that meet or even exceed their expectations. This covers the formulation of a quality policy, the development and application of quality assurance and planning, as well as quality control and improvements (QMS).

Since our quality policy is essential to our QMS, and our QMS is no less essential to our business, we Amazon Blu ship supplies are committed to meet with every customer requirement.

- Adhering to agreed-upon delivery schedules
- Meeting the required quality parameters.
- Collaborating proactively to resolve any technical issues.

Our top management is dedicated to establishing and preserving a work environment where employes actively participate in accomplishing our goals, our top management is also supervising all tasks and activities that need to be completed in order to keep a specified standard excellence.

To help us achieve our goals of a complete customer satisfaction and ongoing business improvement, we have put the processes and procedures in place. Our internal policies and processes are documented, periodically reviewed for adequacy and updating.

In addition, we are committed to fulfill our legal, regulatory, social, and environmental obligations as well as the demands of other interested parties. We are also committed to continual improvement by setting and achieving our measurable objectives, setting and implementing corrective actions to address issues identified at internal audits, customer complaints or customer feedback.

This policy is available on our company website and is accessible to our suppliers, customer and any other relevant parties, whether directly or indirectly interested.
